### Verse 1

D#m C# B > C#  
Chasing the wind for far too long  
D#m C# Bsus2 B  
Testin' how high I can fly to prove the haters wrong  
F#>F#sus4>F#>F#sus4> F#>F#sus4>F#  
So empty inside – My questions and I  
D#m C# B > C#  
Heard all my life that you're a lie  
D#m C# Bsus2 B  
Reality's only things that I can see with my eyes  
F#>F#sus4>F#>F#sus4> F#>F#sus4>F#  
That I am my own "god" - I question it all now

### Chorus (Questions)

G#m D#m  
//: Are you there?  
C#>C#sus4>C#  
Do you care?  
G#m D#m  
For someone like me, who just wants to be free  
C#sus4 C#  
Though I've treated you like air://  
F#>F#sus4>F#>F#sus4> F#>F#sus4>F#  
Oh, are you there? Are you there?

### Verse 2

D#m C# B C#  
All this confusion in my head  
D#m C# Bsus2 B  
Unanswered questions swarm like bees around my bed  
F#>F#sus4>F#>F#sus4> F#>F#sus4>F#  
They've made me a prisoner. I wanna be free.  
D#m C# Bsus2 C#  
I face all my fears and I take the dive  
D#m C# Bsus2 B  
Off of the cliff that I've clung to most of my life  
F#>F#sus4>F#>F#sus4> F#>F#sus4>F#  
I've nothin' to lose, now. I'm ready to choose now.

### Chorus

G#m D#m

 Oh, are you there? Are you there?

 I'll never turn back now that I've changed my mind  
 E6sus2 C#sus4  
 I am free to be me

 I never knew how good it could be
